FOREWORD

The Toledo Federation of Art Societies presents the 68th Annual Toledo Area Artists' Exhibition. Featuring the work of artists living in and around Toledo, the exhibition clearly illustrates the quality and diversity of the work produced by artists in this area. All manner of paintings, graphics, photography, sculpture and crafts were entered for judging this year. The final selection represents work by 107 artists from the 17 counties surrounding Toledo selected by the jury as most exemplary.

Continued support by local artists and effective organizational skills of individual Federation representatives assures the ongoing success of the Area Artists' Exhibition. This year the additional three new annual awards sponsored by member groups attests to the vigor of the Federation. Community involvement and sponsorship greatly enhances the opportunity for future growth of the Federation and the Area Artists' Exhibition.

I would like to thank all the officers and individuals who gave their time and effort to the Area Artists' Exhibition. I would also like to thank each organization, their members and the contributing members for their support.

Stephen Johnston
President
Toledo Federation of Art Societies
